

PRECISION Support Assurance

infinite possibility

What is it?

For a **fixed fee** we offer a flexible, cost-effective, end-to-end solution to your technology management.

The offer is fully comprehensive and comprises:

- Antivirus assurance
- Spyware assurance
- Security assurance
- Asset management
- All the benefits of a support contract (remote support, telephone support, on-site support).

How it works

For a fixed fee Precision takes on all your IT issues and guarantees pro-active technology management of your security systems. We monitor around the clock.

Freeing up your IT staff to manage your core business systems.

Choose a 1,2 or 3-year contract and your capital cost planning is made easy.

Benefits

- The fixed price removes all the variable costs of paying for your IT
- You get enterprise technology at an accessible price
- Gives you a top class IT department
- It's like having your own IT team on call all the time
- Fix your costs for desk space and know its value to your business
- Plan your capital costs
- Guarantees you total security and peace of mind.

Contact Us

Take your first step up to Enterprise Technology and call Precision today. A member of our team will be pleased to discuss your needs and show you how Precision can set you on the road to increased business efficiency and security.
