

PRECISION Support Contract

infinite possibility

What is it?

At Precision we believe in tailoring our services to your needs. So we offer a range of three support contract options.

Each comprises annual audit, full telephone support, on-site support visits and remote support.

The contract levels are:

- Bronze (ideal for a company with up to 6 PCs)
- Silver (ideal for a company with 7–12 PCs)
- Gold (ideal for a company with over 12 PCs).

The quality of support is the same for each level just the cost of the annual support is lower for the Bronze level but the on-site charges are higher.

How it works

For a variable fee you choose the contract that suits you. Then you select from our range of further options:

- Antivirus Assurance
- Asset Management
- Connectivity
- Network Planning and Installation.

Benefits

It's easy. You choose the right contract for you and you get peace of mind and security, knowing your technology management is in safe hands.

Contact Us

Take your first step up to Enterprise Technology and call Precision today. A member of our team will be pleased to discuss your needs and show you how Precision can set you on the road to increased business efficiency and security.
